

A diagram showing a simple house shape (a square base with a triangular roof) and a sequence of programming blocks. The blocks are arranged in two rows. The top row contains five blocks: a green block with a circular arrow icon and a blue block with the number '3', a green block with an upward arrow icon, a green block with a leftward arrow icon and a blue block with '120°', a green block with a square icon and a circular arrow icon, and a green block with a rightward arrow icon. The bottom row contains four blocks: a green block with a circular arrow icon and a blue block with the number '3', a green block with an upward arrow icon, a green block with a leftward arrow icon, and a green block with a square icon and a circular arrow icon.
